PREAMBLE

CQ, CQ, CQ. This is (callsign) _____ , Net Control Operator for the Rockdale County Amateur Radio Emergency Service net. My name is (name) _____ , and I am located in (city or locality) _____ , Georgia. This net meets every Monday evening at 9:00 pm local time on this frequency for testing and practicing emergency communication capabilities. In the event that this repeater is unavailable, or at the request of the Net Control Station, please tune to 147.210 Simplex as an alternative frequency.

Any stations not wishing to participate are asked to keep the frequency clear during this net. (Pause)

Is there any station that can act as Assistant Net Control ? (Acknowledge ANCS, or ask for volunteer if no answer.)

This is a directed net. Please do not transmit unless called by Net Control. During the net, please direct all communications through Net Control, (callsign) _____ .

In addition to this NET, there is a simultaneous NET being run on WINLINK and D-RATS.

Please direct your WINLINK check in to WX4RCA

D-RATS net control is K1KC on the GA ARES Ratreflector

Please check in to them if you have that capability.

EMERGENCY TRAFFIC

Any emergency traffic will be handled with top priority during this net. If you need to pass emergency traffic at any time during this net, please notify Net Control by using the pro word **BREAK followed by your call sign and your traffic will be handled accordingly.**

I will now break for any emergency traffic --- emergency traffic only please call now.

(BREAK))

(If there is no emergency traffic, say "Nothing heard" and continue)

I will begin check in of Rockdale country ARES Officers. Please give your call sign, name, advise your location, if you are on emergency power, and if you have traffic to pass. It will be handled after all Net business has been conducted.

Are there any other Rockdale ARES members that wish to check in? Please call net control now.

At this time we will accept general check ins. All stations A-Z, call Net control. When you call, please give your call sign, name, advise your location, if you are on emergency power, and if you have traffic to pass. There will be time for comments and suggestions at the end of the net.

Are there any bulletins or announcements related to ARES?

Are there any stations that have used the repeater for emergency traffic since the last NET?

Are there any late check ins?
